# Updates

March 1, 2007

Dear Men,

All Praise and Thanks be to God for *The King's Men* (TKM) apostolate! With 6 months of full time outreach to men under our belts, it is truly amazing to see how the Lord continues to bless TKM's efforts and guide us in the New Year. As a TKM supporter, I desire to keep you updated on our progress in building men as true leaders, protectors and providers as often as I can and so it is with great excitement and joy that I write these monthly updates. If you are interested in reading our past letters, you can always go to our website at [www.thekingsmen.us](http://www.thekingsmen.us) and click on the "newsletter" link.

On Thursday February 1<sup>st</sup>, I traveled to Penn State University in State College, PA to deliver a talk to 20 men who are genuinely seeking to grow in virtue and actualize their God given call to lead, protect and provide. After motivating these men to take their "faith to action", on Friday February 2<sup>nd</sup>, TKM conducted a No More Porn Tour witness at the main gates of the PSU campus. At this four hour witness, 10 men including a Benedictine priest and one brave young woman held signs and handed out over 1,000 pieces of anti-pornography literature to fellow students and members of the community.

The No More Porn Tour made its sixth stop in Collegeville, PA on Wednesday February 7<sup>th</sup>. This particular day was our most challenging tour stop to date. Not only was the weather bitter cold, but the treatment we received from the local authorities was even harsher. Despite many efforts to stifle our outreach, I am proud to tell you that once again the truth prevailed as Co-Founder Damian Wargo and I along with 6 other brave soldiers stood our ground. In the spirit of the march at Jericho (Joshua 6:12-20; Hebrews 11:30) we literally surrounded the sexually oriented business in protest and prayer. For more information about the "tour", future stops and photos please go to our website.

TKM radio outreach is growing and the guests and content are receiving great reviews. During February, I continued to host a live call-in radio program every 2<sup>nd</sup> and 4<sup>th</sup> Friday for 1570 AM Holy Spirit Radio. My guests were International Speaker and Psychotherapist Dr. Philip Mango and TKM Spiritual Advisor Father Phillip Chavez, SOLT. These men articulated a vision for masculinity that was truly inspiring and desperately needed in our culture today. If you would like to hear these interviews please go to our website and listen to all of the archived radio programs. On February 13<sup>th</sup>, a new medium with which to communicate TKM Vision and Mission was brought forth through the international airwave capabilities of Radio Maria USA. I was asked to host another live call-in show on Tuesdays from 3-3:57 PM. TKM premiered on 6 FM stations throughout the United States and in 36 countries through the internet. As of this writing, TKM has successfully outreached to a man in Uganda, Africa! Isn't God good?

Gratefully Yours,

Mark Houck  
Co-Founder/President
