

Dear Men,

March 1, 2008

Spring is almost here and *The King's Men* (TKM) apostolate is rolling into this beautiful life-giving season with much momentum! In the month of February TKM received much local and national attention through our education and activism work.

TKM's speaking engagement opportunities brought my co-founder Damian Wargo and me to the following places: Malvern Retreat House (2/1), Kutztown Rotary Club (2/13), St. Vincent's College in Latrobe, PA (2/15-2/16), and the Knights of Columbus in New Bloomfield, PA (2/23). Requests for TKM to come and deliver talks on authentic masculinity are increasing. If you would like more information about bringing a TKM speaker to your community log onto www.thekingsmen.us.

TKM has taken up a leadership role in the fight against the sexually oriented business (SOB) "Coyotes" in Milford Township Bucks County. TKM has hired attorney Patrick Trueman, former chief of the Child Exploitation and Obscenity section of the Department of Justice's Criminal Division, to represent TKM in the hearing proceedings to prevent Coyotes from being granted a license to operate. To learn more about these events please log onto our website for the media coverage. I thank you for helping us fight pornography both locally and nationally through your monthly financial support. Without it, we could not be engaged in the Coyotes battle!

TKM traveled to St. Vincent's College as stated above on 2/15 for two presentations to college students and a local men's group. This invitation also enabled TKM to bring the No More Porn Tour to Latrobe. On 2/16, Damian rallied 20 men and women and 3 Benedictine monks to take up the fight against pornography in their community by protesting an SOB located in front of St. Vincent's. This witness (see our website for more info) was so effective that the college is making plans to purchase signs so that their students and the community can continue to do this activism work. Brothers and sisters in Christ, our mission of building and uniting men as leaders, protectors and providers is being fulfilled!!!

Damian and I were also contacted this past month by a group of men in California who want to do the No More Porn Tour in their area. TKM is currently advising these men on how to take up this initiative. Please join us in our prayers for these brave men who desire to protect the common good against the harms of pornography.

The month of February also saw TKM continue with our monthly No More Porn Tour in Montgomeryville, PA on Ash Wednesday 2/6. TKM is in the process of planning how to continue to apply pressure onto the multi-billion pornography industry in our local area through weekly/bi-weekly activism opportunities. Stay tuned to our website for more details.

Finally, on Friday February 29, TKM sponsored a prayer vigil from 6-12pm at the Planned Parenthood in Warminster, PA. TKM has agreed to bring 15 men to these vigils every 5th Friday of the month because there is no greater battle to be engaged in today than the pro-life fight! We as men must stand in the gap for these Holy Innocents. For more information about how you can get involved please contact Damian at damian@thekingsmen.us.

Gratefully Yours,

Mark J. Houck
Co-Founder/President
